andrea_minulescu@yahoo.com

Age:

25

Nationality:

Romanian

Objective:

A consultant position in a management/human resource consultancy company in Europe.

Work experience:

**Hosus Media – Advertisement Company
Advertisement Agent – 1 semester**

During my one semester working period at this local firm I learned the basics of advertisement. My activity included recruiting of new customers and maintenance of good relationships with the customers.

Education:

**Tomas Bata University, Zlin, Czech Republic
The Faculty of Management and Economics**

Ph.D. Student – 2006 –

Doctoral thesis: “The Optimization of Corporate Resources”.

My research is orientated toward “organizations as living systems”.

My beliefs – people make decisions, not machines do – gave the direction of my doctoral studies.

**University of Craiova, Craiova, Romania
Faculty of Automatics, Computers and Electronics**

Bachelor of Engineering – 2006

Major in Applied Informatics

Senior thesis: “The Stabilization of a special STOL (Short Take-Off and Landing aircraft) “, at University of Technology, HEUDIASYC Laboratory, Compiègne, France.
